## Supply of Concrete Cartage Services Mawsons – North Central Vic

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. Across these regions, Mawsons are prominent players with over 500 employees across 80 sites. Trading also as Milbrae and Country Concrete, with a history spanning over 110 years and Adbri as a Joint Venture Partner, Mawsons are very well established and highly regarded.

We are seeking expressions of interest from a suitably qualified independent concrete cartage contractor to provide concrete cartage service based in North Central Victoria, delivering product to customer sites across our footprint. The successful applicant will be offered a long-term cartage agreement up to a maximum term of ten (10) years.

This contractor will need to interact professionally and effectively with our existing team and show attention to detail with their work. Work safety and customer satisfaction must be key focuses of the successful applicant. Consistency and high standards with product and service are vital in this contractor role.

**To be considered, applicants must be willing to supply and operate a late model, cab chassis truck and concrete transit mixer in an 8 wheel (8x4) configuration.** The truck and mixer must meet the minimum safety standards and current specifications as determined by Mawsons. This truck must also comply with the Australian Static Rollover Threshold standard. **There is an option to purchase a Mawsons ready vehicle upon enquiry.**
